**Re: Protect Galveston Bay!**

Mr. Miller:

Please add my comments for your consideration in support of a permanent cap for the San Jacinto River Waste Pits—Alternative 3. Alternatives to the permanent cap threaten Galveston Bay.

In 2011, the Time Critical Removal Action was created and has never leaked. This is proof that the cap is working.

Again, please consider my comments in light of the EPA's determination for the recommended course of action.

Thank you.
